

Group Research Ethics Session Rubric

The following rubric will be used to evaluate each team's presentation on the assigned research ethics. The Group Presentation Rubric will be combined with the Team Participation Rubric to determine your final grade on the presentation/project.

Trait	Criteria				Points
	1	2	3	4	
Content Did the session cover the specified information on the case study?	Session did not cover the information on the case study.	Session covered some of the guidelines, but there were holes.	Session covered the information in a good way.	Session was exceptionally good in terms of the material covered.	
Collaboration Did everyone contribute to the session and seem well versed?	The team did not cohesively and coherently work together.	The team worked fairly well together. It appeared as though certain people did not do as much work as others.	The team worked well together and it seemed that everyone did some work, but some members carried the session.	The team always worked together to deliver a cohesive and coherent session - all members contributed equally.	
Organization Was the session well organized and easy to follow?	The session lacked organization and had little evidence of preparation.	There were minimal signs of organization or preparation.	The session had some organization, but could have been much stronger with better preparation.	The session was well organized, well prepared and easy to follow.	
Presentation Did the presenters speak clearly? Engage the audience? Was it obvious they had practiced?	There was little evidence of planning prior to session. The class was not engaged at all.	Presenters were not consistent with the level of confidence and preparedness, but had some good moments. The class was minimally engaged at best.	Presenters were occasionally with their presentation however the session was not as engaging as it could have been.	Presenters were all very confident in delivery and they did an excellent job of engaging the class. Preparation was evident.	
Timing	Significantly over or under time (> 5 min).	Under or over time by 3 min.	Under or over time by 1 min.	Within 10-12 minute window.
