

## Research Project Topics and Groups

Serendipity: dynamite

### **What is the best way to make biofuels?**

- Jordan Castro
- Juliette Chisam-Majid
- Enida Kapidani
- Joshua Wilson

Serendipity: penicillin

### **How does the environment influence our genes?**

- Clare Bakker
- Kelsey Carreras
- Grant Hill
- Ally Roessling

Serendipity: nitrocellulose

### **How does the brain think and form memories?**

- Daniel Ghebreigziabher
- Courtney Suhr
- Alek Volkir
- Amy Westphalen

Serendipity: lidocaine

### **How do we tap more solar energy?**

- Isaac Bell
- Will Crutchfield
- Michael Duffy
- Ryan McCool
