

**Tutorial Scoring Sheet**  
**PHYS 480**

name, experiment (code), sec # : \_\_\_\_\_

TABLE I. In the tutorial hour, with respect to both assigned and peculiar questions elicited spontaneously during the discussion,

the student is able to	Yes	Sorta	No
discuss the question correctly, appropriately in terms of both lower and upper division physics			
describe the interplay between theory and experiment bearing on experimental design			
indicate, correctly, how the experiment works, discursively and with diagrams
