

1. Encipher the message: "Don't disturb me, I am disturbed enough already." using a Caesar Cipher with key letter 'c'. Remember to remove all non-letters. Break up the letters into blocks of 4.
2. You intercept the message

EHK LQG HYH UBJ UHD WIR UWX QHW KHU HLV DFU LPH.

Recover the plain text with out any knowledge of the key or what the message may contain. You do however have reason to believe that it was enciphered with a Caesar Cipher.

3. Find the Health Center on Campus and take a picture of yourself there and email it to me.
