

1. Encipher the message: "Don't disturb me, I am disturbed enough already." using a Caesar Cipher with key letter 'n'. Remember to remove all non-letters. Break up the letters into blocks of 4.
2. You intercept the message

LNZ HLC OTD LSP CZH TES LHT QPV TOD LYD LXZ CER LRP.

Recover the plain text with out any knowledge of the key or what the message may contain. You do however have reason to believe that it was enciphered with a Caesar Cipher.

3. Find the Health Center on Campus and take a picture of yourself there and email it to me at cparker@sandiego.edu.
