ARE YOU UP FOR THE CHALLENGE?

The Law Firm Challenge helps the University of San Diego School of Law lead the way by providing valuable funding for our students and programs. We appreciate the support of our alumni within the participating firms who provided more than \$100,000 last year to support key initiatives that benefit our students and enhance our reputation.

The Law Firm Challenge is instrumental in helping the law school recruit and retain nationally recognized faculty, increase scholarship support and provide students with practical legal experience through our diverse selection of legal clinics.

It is our privilege to recognize each of the firms listed below whose leadership helped the Law Firm Challenge achieve record results last year.
